Registrar Notes

Hello families!
Winter is here! With winter comes possible school delays or cancellations. DoDEA is utilizing the Everbridge system for emergency notifications. We at WES have set up our database and will be using it to send text notifications via your cellphone should we need to contact you, followed by an email if you are not able to get to your phone. Please ensure that your primary and alternate cellphone numbers are up to date in our system.
You can check what number we have on file through Aspen's parent portal; if you'd like to make any adjustments, don't hesitate to contact me with the updated information as soon as possible.
Our volunteer program is active! Please download and fill out the **volunteer packet here:** Volunteer Information. If you have any questions, please do not hesitate to reach out.
If your family has a PCS move coming up, here is the Withdrawal Form. We ask for at least two weeks' notice so that we can prepare all documents for your child(ren). The Accelerated Withdrawal date for the second semester is May 8th.

PRINCIPAL NOTES

Hello Wiesbaden Families,

I hope this message finds you well. As we embark on the third quarter of the school year, I want to express my gratitude for your continued support and commitment to your child's education. The school year is steadily progressing, and your partnership is crucial in ensuring a successful academic journey for your child.
As we approach the final stretch of the school year, it's an opportune time to collaborate closely with your child's teacher to assess their academic progress. Understanding the specific skills and concepts your child may be struggling with is essential for targeted support and improvement. I encourage you to reach out to your child's teacher to discuss their academic performance and to identify any areas where additional support may be beneficial. By working together, we can create a supportive and enriching environment for your child to thrive.

If you have a student enrolled at our school, you should use Classlink at https://www.dodea.edu/offices/it/classlink, our school resources platform. Due to publishing guidelines, many access credentials cannot be published on public websites. Therefore, Classlink provides a safe online extension of school information and classroom instruction.
If you have any concerns or problems using Classlink, please get in touch with Mr. Barlowe at scott.barlow@dodea.edu.

How to access your class resources on ClassLink :

1. Visit https://www.dodea.edu/offices/it/classlink.
2. Log in with your credentials.
3. Navigate to the designated class section.
4.
5. Explore a treasure trove of texts, materials, and resources.

This month, our students will have the opportunity to compete in their classrooms and then against schoolmates to represent WES in the Europe Region Spelling Bee with hopes of moving on to compete in the United States of America. We are elated that so many of our students are challenging themselves to participate in this year's spelling bee.

Best regards,

Mrs. Harwell
Principal

WES Families

We hope this message finds you well! As we celebrate your child's journey in academics and growth, we wanted to share an exciting opportunity that could significantly impact their word study skills.

In today's dynamic educational landscape, fostering a love for language and expanding vocabulary is more crucial than ever. That is why we recommend the ***Scripps Spelling Bee Word App***, a fantastic resource designed to support students' linguistic exploration. Here are a few reasons why you might consider joining:

1. **Engaging Learning Experience:** The app provides a fun and interactive platform for your child to delve into the world of words. With games, quizzes, and challenges, learning becomes a delightful adventure.
2. **Personalized Learning:** Tailored to individual strengths and weaknesses, the app offers a personalized learning experience for each student. This targeted approach ensures effective and efficient progress.
3. **Scripps Credibility:** As you may know, Scripps National Spelling Bee has a long-standing reputation for promoting excellence in spelling and language skills. By using their dedicated app, your child can benefit from their expertise and resources.
4. **Parental Involvement:** The app is not just for students—it encourages active parental involvement. You can track the learner's progress, celebrate achievements, and provide support throughout their word-study journey.

Joining the ***Scripps Spelling Bee Word App*** community is an investment in your child's education and a shared commitment to nurturing a passion for language.

Let's empower WES Dachshunds to become a confident and articulate communicator.

To get started, visit https://spellingbee.com/word-club and sign up. We're confident this resource will add a valuable dimension to your child's learning experience as they prepare for the ***2024 Scripps National Spelling Bee.***
